2100 x 190 x 38 Ash (Five Boards) or One Laminated 2100 x 900 x 25 Ash Panel from Bunnings

Bunnings carry an interesting range of 2100 x 900 x 25 laminated panel products. Clear radiata pine from Chile, Acacia and Merbau from Vietnam, plus Alpine Ash from Australia. The panels could be used for the bench top and also ripped to width and then sliced through the centre to create the 12mm thick panels used to make the drawers.
